

TIC TAC LAB

FALL 2023 PROGRAM

Tech workshops for creative minds

tictaclab.org

#coding

#robotics

#lasercutting

#crafts

#electronics

#3Dprinting

EN Tic Tac Lab is a Brussels-based technology education lab that organizes workshops, day camps and events for 5-18 year-olds. For us, creativity and playful exploration are the ingredients to digital learning.

For the Fall session, Tic Tac Lab is offering 7 weekly workshops for all ages and tastes.

MAP GAMES

Code

12 Y/O & MORE

Create your own video game and its giant world with JavaScript.

📍 Online

Mondays, from 5 to 6:30 p.m.

FIRST LEGO LEAGUE

Robotics & science

Join our teams to program a Lego robot and take part in an international robotics competition.

• FIRST LEGO LEAGUE SENIOR

Sundays, from 2 to 4 p.m. and Tuesdays, October 3, November 7 and December 5 from 5 to 7 p.m.

13-16 Y/O

FABRIKIDS

Digital fabrication

9-12 Y/O

At the crossroads between crafts and digital manufacturing (3D printing, laser cutting, etc.), learn how to make your own objects.

Wednesdays, from 2 to 3:30 p.m

TECH MIX

Code, robotics, algorithmic thinking

Discover the world of technology and algorithmic thinking in a fun and intuitive way.

• TECH MIX 1

Saturdays, from 9:45 to 10:45 a.m.

5-7 Y/O

• TECH MIX 2

Sundays, from 9:30 to 10:30 a.m.

7-9 Y/O

• TECH MIX 3

Saturdays, from 11 a.m. to 12:30 p.m.

10-12 Y/O

GENERATION WINDOW

Code, electronics, generative art

14 Y/O & MORE

Help us realize a crazy project: let's create a machine to draw generative art on our big shop window.

Sundays, from 4 to 6 p.m.

KIDS OF ALL AGES, COME AND DISCOVER TIC TAC LAB IN A DIFFERENT WAY :

- All our weekly workshops are available for a free trial
- We organize monthly discovery workshops at reduced prices:
 - Thursday evenings for older children (16+)
 - Saturday afternoons for child-parent duos
- We organize workshops for children during the Fall holidays from October 23 to 27 and from October 30 to November 03.

Check our website for updated informations and registration.
